MODEL **SmartCombi™**
ClassicCombi™

WaveClean with wave-agitation cleaning and 2-in-1 clean + rinse cartridge.

General Information

WaveClean™ automated cleaning system for the Henny Penny SmartCombi and ClassicCombi ovens cleans effectively using less energy and water than other automated cleaning methods.

Detergent and rinse-aid are combined in a single convenient cartridge that automatically releases each component as it is needed. Empty cartridges are safely recyclable. No additional plumbing, dispensers or bulk containers for detergent and rinsing agent required.

Material safety data sheet is available at www.hennypenny.com under products/cleaning supplies/msds.
