Rotisserie merchandising base

MODEL **RMB-363**

General Information

The Henny Penny rotisserie merchandising display base is an attractive, sturdy unit specially designed to integrate rotisserie cooking and self-service merchandising into one convenient freestanding station.

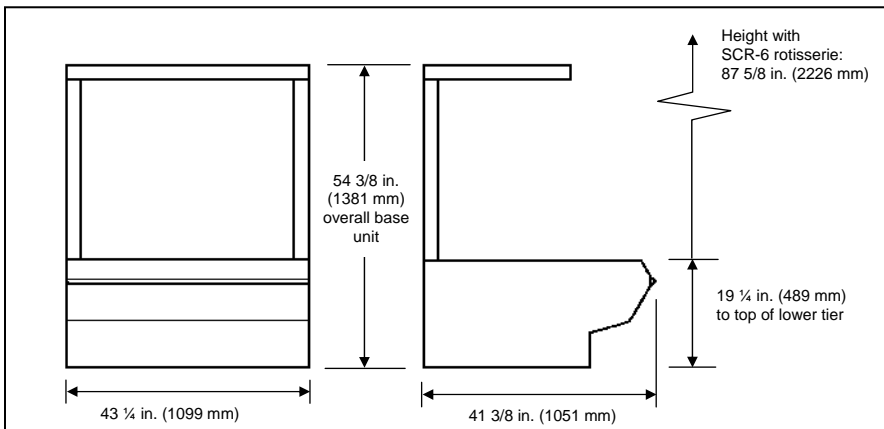

The RMB-363 is perfect for C-stores, kiosks or high traffic deli stations where floor and counter space is at a premium. Designed for SCR-6 six spit rotisserie and HMR-103 three well self-serve merchandiser. (See separate data

sheets for detailed information on rotisserie and merchandiser.)

Standard Features

- Tubular welded stainless steel frame for strength and durability.
- Sleek, attractive design.
- Minimal framework and surfaces for easy self-serve access and high visibility.
- Base profile designed for recessed kicker.
- Protective bumper strip available in several standard accent colors.
- Base panel finish available in cream, white, stainless steel or custom match.
